**Norfolk, VA** – Norfolk Festevents, Ltd. announced today its “Class of 2020 Commemorative Town Point Park Brick Program” for all graduates of the Class of 2020. The personalized bricks, to be placed in Town Point Park, serve as a lasting way to pay tribute to 2020 graduates, who were unfortunately forced to celebrate their graduations in quarantine due to the coronavirus pandemic.

“We’ve been trying to find a meaningful way to honor the Class of 2020 this year that could be available to everyone during this recovery time,” said Festevents CEO Karen Scherberger. “As part of the 2009 park renovation, commemorative bricks, benches, trees, and markers have lined the waterfront with messages from family and friends marking important occasions in the lives of their loved ones. From births to proposals to honoring the lives and service of others, these commemorations have become part of our community’s story,” Scherberger adds. “In this tradition, it only seems fitting to offer the families and friends of the Class of 2020 the same opportunity to celebrate and remember this important time in their lives and in our history.”

The Class of 2020 Commemorative Bricks and Markers can be personalized with a message to honor a recent graduate and will also be emblazoned with an official Class of 2020 logo. These will be placed in a dedicated section of the park located at the entrance to Fountain Park.

A variety of commemorations are available for order including 4-inch by 8-inch bricks (\$150), 8-inch by 8-inch bricks (\$300), 2-foot by 2-foot markers (\$5,000), 4-inch by 10-inch park bench bronze plaques (\$5,000), and 8-inch by 8-inch park tree bronze plaques (\$5,000).

To place an order, including a personalized message, go to [www.festevents.org/town-point-park-commemorations](http://www.festevents.org/town-point-park-commemorations).

All contributions are tax-deductible and will support the fundraising campaign for the park, as well as provide financial support for future improvements and enhancements to waterfront programs.
