WELCOME TO THE 42ND ANNUAL NORFOLK HARBORFEST® 2018

THE HISTORY OF NORFOLK HARBORFEST®

It began 42 years ago when the Norwegian Tall Ship Christian Radich came to call on Norfolk, a waterfront community that had no city-owned property on which to dock a ship. The ship was docked three blocks from Town Point at the National Oceanic and Atmospheric Administration and 13,000 people crossed her gangway in just one and a half days. Over the next two years, City planners and leaders created berthing to accommodate more ships, and a waterfront public park was planned. Norfolk Harborfest® was born. Today, tall ships from all over the world frequently call on the City of Norfolk and nearly half a million visitors gather on the downtown waterfront each year for this annual celebration of our region's rich nautical heritage. The traditions of the East Coast's Premier Waterfront Festival are celebrated with nautical history, maritime events, visiting vessels, children's activities, local, regional and national entertainment. Festivities stretch from the Waterside District to the Historic Freemason Harbor.

GENERAL INFORMATION

Welcome Center, Information, Guest Services and Security Office

The Norfolk Harborfest® Welcome Centers are all-inclusive guest services stations located adjacent to Nauticus and next to the Waterside District. Guest services include ATM, Lost and Found, directions, information, program schedules and security questions.

Lost and Found

Lost and found items can be reported at the Welcome Centers adjacent to Nauticus and next to the Waterside District. Parents with lost children are also asked to check in with the Welcome Centers or the nearest uniformed police officer. No public address announcements regarding lost persons or items will be made during the event.

First Aid

First aid stations are located at both the Waterside and Main Street entrances to Town Point Park.

Safety Considerations

Harborfest is accessible to persons with disabilities, with parking available at all City parking garages. Wheelchair accessible porto-lets are located on-site (at the corner of Boush & Main Streets). Special seating accommodations at all stages can be requested from event security or any uniformed staff member. Town Point Park is in compliance with the Americans with Disabilities Act.

Photography and Videotaping

Festivals and Events are photographed and videotaped for future promotional use by professionals employed by Norfolk Festevents who are easily identified by staff credentials. Festivals and events are also photographed and taped by the news media for television and newspaper coverage and are identified by their press credentials.

MORE NORFOLK HARBORFEST

Parade of Sail, presented by 13 News Now

Friday 12pm on the Elizabeth River

The **Parade of Sail** passes in review off Town Point Park at 12pm on Friday. The spectacular **Parade of Sail**, under the direction of the Virginia Pilots Association, will enter the Downtown Norfolk Harbor on Friday, June 8 at 12pm. Following tradition, this impressive fleet will include tall ships, character vessels, sleek power cruisers, sailing craft, antique and classic wooden boats, military vessels, tugs and more! Thousands of onlookers stationed at vantage points along the Elizabeth River will be able to witness this expansive fleet as it dances down the river towards Town Point Park.

Coastal Riverine Force

Forged from our rich coastal and riverine heritage, the Coastal Riverine Force regained prominence following the USS COLE and 9/11 attacks and is the only Navy Force that defends designated high value assets against a determined enemy. Catch demonstrations on the Elizabeth River on Friday, June 8 at 4pm.

Ultimate Build-a-Boat, Boat Building Contest and Race

The very popular and zany Ultimate Build-a-Boat Challenge begins on Saturday, June 9, when teams construct boats from scratch in various engineering and decorative designs in the hope that their design will survive the test of Sunday's Ultimate Build a Boat Race! Sunday, June 10 at 3:30pm, the competing teams place their boats, and boating skills to the test with an all-out race to the finish line! This nail-biting event is one not to be missed!

18th Annual Dawana Jennings Memorial

Yacht Club Rendezvous

Local boat clubs, yacht clubs, and marinas from around the Hampton Roads area come together for the 18th Annual Dawana Jennings Memorial Yacht Club Rendezvous in the Freemason Harbor. Vessels are docked throughout the weekend and are available for public viewing.

34th Annual Chesapeake Bay Workboat Parade and Races

The Chesapeake Bay workboat is a type of traditional fishing boat used in the Chesapeake Bay. Watermen use these boats year round for everything from crabbing and oystering to catching fish or eels. The Chesapeake Bay Workboat is the official Virginia State Boat. Because of the decline in the seafood industry, the Chesapeake Bay waters that once flourished with these beautiful handmade boats has become a scarce sight. The Chesapeake Bay Workboat Parade on Saturday, June 9 at approximately 2:30pm highlights the

creative decorating skills of the Watermen and their families as they dress their clam boats, crab boats and oyster boats to the “T” for this great family showcase! Be sure to come back on Sunday, June 10 at approximately 12:30pm to witness the power (450 Horsepower!) of these boats as they race down the Elizabeth River. The Chesapeake Bay Workboat Race at Norfolk Harborfest® is an event that the Watermen prepare for all year long. These races are serious competitions that allow the heat winners a full year of bragging rights.

Elizabeth River Tug Muster

The muscle men of the harbor bring their tugboats out for an all-out demonstration of power and agility in the popular Tug Muster Saturday, June 9 in the Elizabeth River. This “bragging-rights” competition will get your heart racing as the tugs dance in the river and show off their skills!

LANDSIDE ATTRACTIONS

The Colours Junkanoo Street Party

25 members of the world famous parade unit from Nassau, Bahamas will travel to Norfolk to perform “rushouts” throughout the weekend. Making music from goatskin drums, cowbells, whistles, horns and conch shells and wearing beautiful and vibrant handmade costumes – these are must-see performances!

Nathan’s Hot Dog Eating Contest

The Nathan’s Famous Fourth of July International Hot Dog Eating Contest is a culmination of a qualifying circuit conducted throughout the United States. Each year, the greatest competitive eaters on Earth gather on the corner of Surf and Stillwell Avenues in Coney Island, Brooklyn, NY, to compete, as they have since 1916, according to the archives. Norfolk Harborfest is a qualifying location! Sunday, June 10 at 12:15pm at the Main Stage. Do not miss your chance to be part of history!

The Shadow Players

The Shadow Players Stage Combat Group portrays and recreates the Golden Age of Piracy. Their show combines comedy and hi-jinks with rousing sword-fights and educational information. What could be better than being a pirate!? They like to make friends wherever they go. Come up after the show and and say hello.

Boardwalk Arcade

The festival favorite is back in 2018 with more classic boardwalk games like Pacman, Skee Ball and more all completely free to play for all festival guests!

THE 42ND ANNUAL NORFOLK HARBORFEST® FIREWORKS DISPLAY

presented by WAVY TV 10

The Norfolk Harborfest Fireworks Display, produced by Pryo Shows of Tennessee, is one of the largest waterfront pyrotechnics shows on the East Coast. Be prepared for the unexpected as the sky is filled with an explosive display of light choreographed to a patriotic musical score throughout the Waterfront in honor of the Naval Station Norfolk Centennial celebration. The Fireworks show is scheduled for Saturday night at approximately 9:30pm and will be fired from a floating platform on the Elizabeth River. The 2018 Harborfest Fireworks Show is dedicated in honor of Spencer A. Coleman (1933- 2017), one of the original founders of Norfolk Harborfest and Festevents. There was no greater Harborfest fireworks fan than Spencer! We are truly grateful for his vision, leadership and many years of dedicated friendship and support.
